Updated for 2016-17

Where do I take reusable stuff?

WASTE PREVENTION ACTION TEAM VISION:

CORVALLIS IS A WASTE-FREE COMMUNITY BY 2020.

ACTION TEAM PROJECTS:

Corvallis-Area ReUse Directory: This free document is also downloadable. For an additional copy, choose from a mapped list of distribution sites across town. For numerous copies for your building(s), call 541-230-1237. Small table-top stands are also available.

Recycling Block Captain Program: Educating neighborhoods about waste prevention by distributing handouts door-to-door. Always seeking additional volunteers to participate for just a couple hours every 3-4 months. For info, or to sign up, visit www.ti.ycc/wpatcapt.

Faith Community Education: Help "green" your congregation! Check out our organized list of quick Reduce-Reuse-Recycle tips for year-round waste prevention, or include in your weekly bulletins and newsletters. Waste audits are also available for free.

All documents mentioned above are available at www.sustainablecorvallis.org.
