

# Health and Human Services Action Team

**Goal 1:** By 2018, all Corvallis residents will have access to programs that **promote healthy behaviors.**

**Goal 2:** By 2025, our community's discharge and exposure to persistent, bio-accumulative and/or **toxic pollutants into the local biosphere will be eliminated.**

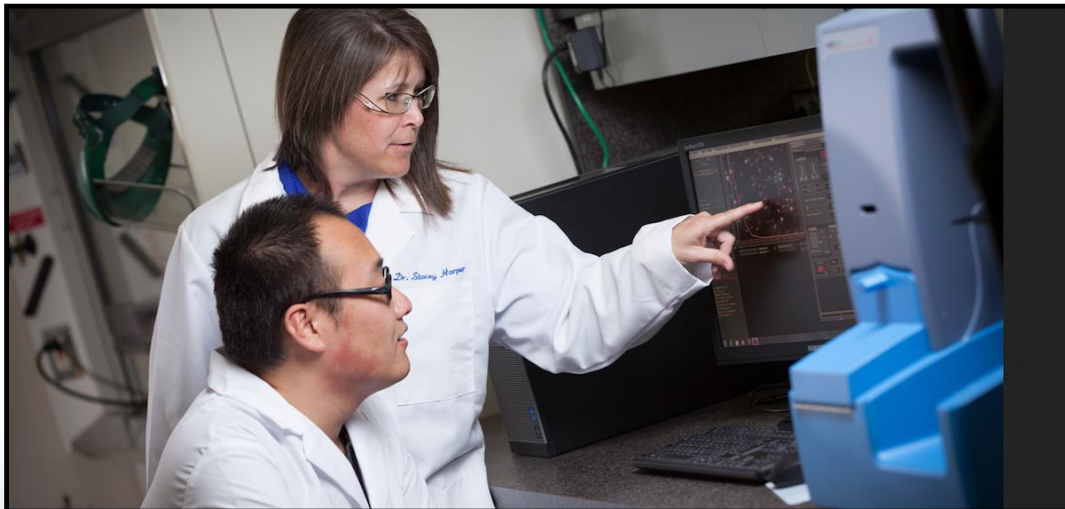

**Goal 3:** By 2025, 50% of Corvallis residents will **volunteer in the community.**

# Health and Human Services Action Team

## Collaboration with Environmental Health Sciences Center

- Train volunteers
- Environmental sampling with personal wristband samplers

# Health and Human Services Action Team

- Partnered with OSU graduate students
- Volunteerism survey

# Health and Human Services Action Team

NEW project:

Safe alternatives to  
hazardous cleaning  
products

# Health and Human Services Action Team

## **Next steps:**

- Send out a Doodle poll
- Meet in January
- Develop project on safe cleaning products
