

# ENERGY TRUST OF OREGON *INCENTIVES* FOR SINGLE FAMILY HOMES

## HOW TO PARTICIPATE IN ENERGY TRUST'S PROGRAMS

1. **First Step:** Call Energy Trust at 866.368.7878 to confirm eligibility and for a list of Energy Trust approved contractors to complete the work. Energy Trust staff will guide you through the process.
  
2. **Select from ET (Trade Ally) contractors** to make improvements.
  - A. For **No-Cost Improvements** call an Energy Trust approved contractor to: seal ducts, air seal, install LED bulbs and replace showerheads or faucet aerators with high efficiency models.
  
  - B. For some measures like underfloor **Insulation** and **Smart Thermostats** you may either hire an ET contractor or self-install.
  
  - C. For **cash incentives** call an Energy Trust approved contractor.  
*Cash incentives apply to installation of:*
    1. **Heat Pump** for efficient heating and AC (before 12.31.19 *only if you heat with electricity from Pacific Power*)      **Save up to \$800**
    2. **Window** upgrades      **Save up to \$4/sq.ft.**
    3. **Water heaters**      **Save up to \$300**
    4. **Insulation underfloor**      **Save 30 cents/sq.ft.**
  
3. **Low or moderate income?** See "*Savings within Reach*" program for additional savings.
  
4. **Submit incentive application** form. Cash incentives may be deducted from your invoice by participating Trade Ally contractors.
