

HI, NEIGHBOR!

I'm _____, your **Recycling Block Captain**, a program that's part of the Corvallis Sustainability Coalition. We are volunteers who want to help Corvallis area community members fight waste by reducing, reusing, recycling, and composting.

I will periodically drop off waste prevention handouts and can answer any questions you may have!

Feel free to contact me at:

Have a recycling question that others might have? Want to learn more about waste prevention or the Block Captains?

HEADS UP: OUR RECYCLING HAS CHANGED!

Starting July 2025, Oregon is standardizing its recycling across the state and requiring manufacturers to share the cost of recycling their packaging. This is part of the Recycling Modernization Act. Because of this change, **more items are now accepted in your curbside bin!**

Check out more information about what is or is not accepted in your bins here!
